

The purpose of the Manx Radio Dream Catcher Appeal is to provide 'gifts' to deserving causes across the Isle of Man.

The Manx Radio Dream Catcher Appeal has been designed to raise monies to support Island individuals, groups and charities. It is unique in that it does not give donations of money but responds to requests for products and services. The charity is administered by a formal trust set up by Close in 2008 and all of the money raised stays on the Isle of Man.

Manx Radio supports the Manx Radio Dream Catcher Appeal through its powerful voice within the community. Dream Catcher is Manx Radio's primary route to supporting charities, organisations and individuals with specific needs in the Isle of Man.

Donations to Dream Catcher can be made via Isle of Man Bank or Close and all of the money collected will go towards worthy causes related specifically to the Isle of Man.

As with any charity there are modest administration costs, but outside of these, all funds will go to funding Dream Catcher requests.

The Manx Radio Dream Catcher Appeal web site will be updated on a weekly basis, giving details of the latest awards as well as past, current and future fund-raising activities across the Island.
